4. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the Repurchase Mandate is approved by Shareholders of the Company.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by Shareholders of the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

However, if as a result of a share repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, CRN is interested in 1,422,298,991 Shares (representing approximately 63.95% of the total issued share capital of the Company as at the Latest Practicable Date). In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution referred to above, then (if the present shareholdings remains the same) the attributable interest of CRN would be increased to approximately 71.06% of the issued share capital of the Company and such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code.

The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as to result in the amount of Shares held by the public being reduced to less than 25%.
